

MIDDLE SCHOOL SUMMER SESSIONS

Due to the overwhelming response to our initial summer academic offerings, we have added additional sessions for each as indicated below.

Math Review Session For Rising 6th Graders

Date: June 9-13, 2008, with a Wrap-Up and Review Session on Friday, August 1, 2008
Time: 12:30 - 2:30 P.M.
Instructor: SJCS Former Faculty Member Mrs. Jennifer Chandler
Cost: \$100.00 for the one-week session

Math skills will be reviewed in order to prepare students for our sixth grade math program. In addition to the weeklong review session, related work and assignments will be given out for the remainder of the summer months. Completed assignments are due, as well as time for questions, on Friday, August 1 from 10:00-12:00 Noon.

Study Skills Session for Rising 6th, 7th, or 8th Graders

Date: July 14-18, 2008
Time: 10:00 A.M. - 12:00 Noon
Instructor: SJCS Faculty Member Mr. Peter Adair
Cost: \$100.00 for the one-week session

Learning proper study skills is key to success in our Middle School. In this course, students will work on organizational, note-taking, test-taking, and memorization skills, as well as gaining help in recognizing and developing their best learning style.

Keep the top portion for your records and turn in the bottom slip by May 30, 2008.
