PURCHASING TEXTBOOKS

Frequently Asked Questions

Q: Who is the school's textbook vendor?

A: The school's official textbook vendor is MBS Direct. Their online book store can be accessed at: <http://bookstore.mbsdirect.net/sj catholic school.htm> beginning on July 8, 2019.

Q: Do I have to purchase my textbooks through MBS?

A: No, you may use the vendor of your choice. MBS carries the majority of our textbooks, and is a straightforward and easy way to secure the books needed. They offer books in new and used condition as well as a chance to sell books back at the end of the year. If you choose to use another vendor, please make sure to order by ISBN to ensure you have the correct edition and format. For newer copyrights, check the publishers' websites as their prices are sometimes lower.

Q: Is there a way to get reduced or free shipping from MBS?

A: From July 24-Aug. 31, 2019, orders over \$99 qualify for free shipping. This is St. Joseph's discount shipping week.

Q: Can I rent textbooks?

A: Yes, MBS has started a rental option for textbooks. While this option helps parents to save money on the upfront cost of textbooks, this is a costlier option in the long run. To avoid potential problems and unforeseen costs, please make sure to read all the fine print if you choose to rent.

Q: When will my child receive their schedule? I am unsure of what books to purchase.

A: Class schedules will not be finalized until mid-July and will be issued via email. If you choose to purchase books early, please note that you may be required to purchase additional books or different books based on your actual schedule.

Q: How is the textbook information organized?

A: The books are listed in the following manner: ISBN, author, title, edition, publisher and date.

Q: I would like to purchase my textbooks from another school family. Do you have a list of parents offering books for sale?

A: No, we do not have a list. A used textbook sale is held in the parking lot at the end of May. The date of this year's sale is Friday, May 31. This is the best way to purchase books from other school families. Be sure to check the ISBN to verify that you have the edition currently being used.

Q: What is the MBS textbook buyback?

A: The textbook buyback is provided in our library through our textbook vendor, MBS. MBS will buy back textbooks that meet their condition requirements, and send the money directly to you. You do not have to purchase your books through MBS to participate. The library serves as a drop-off point and will ship the books back for you at no cost. This year, you may turn books in with a prepared quote any time during finals week: May 28-31. Drop-off times are 9:00 a.m. to 1:00 p.m. on Tuesday through Thursday, May 28-30, and 9:00 to 11:00 a.m. on Friday, May 31. To participate, please follow the instructions on the MBS website to generate your buyback quote. The site is: http://bookstore.mbsdirect.net/vb_buyback.php?FVCUSNO=35784. You may also sell your books back to MBS directly through their website. They will cover shipping costs.

Q: Can I have my books shipped directly to the school?

A: No, we ask that all books be shipped to you directly at your home address or other designated location. Please do not ship books to the school.

Note: All workbooks must be purchased new. If a course is not listed here, either there is no text required or the instructor will provide specific instructions once the class meets.
