

**ST. JOSEPH'S**  
CATHOLIC SCHOOL  
**NEWS & NOTES**

*Striving to form the MINDS, HEARTS, and SOULS of its students in the likeness of Christ.*

**From the Desk of the Headmaster**

Dear SJCS Parents,

I'm writing this letter in the midst of a very busy couple of weeks during faculty/staff orientation. I found a few quiet moments late one afternoon to take my laptop to the picnic table outside of my office. As I sat there working, the girls cross country team walked by heading to the front lawn to begin practice. This is a typical scene for a mid-August afternoon except, of course, that the girls were wearing masks. About the same time, Mrs. J. stopped by to tell me that she ran into a group of athletes in the gym. She asked them how they were doing, sympathizing with them about having to wear masks to school. I love what one girl told her, shrugging it off as no big deal: **"Wearing a mask is WAY better than going to school at home."** I'm thinking that this might be our mantra for the new school year.

Frankly, it's been an emotional couple weeks for the faculty and staff as we've worked to make sure we have everything in place for students to return to school as safely as possible. In the midst of all of the planning and thinking about what we will and won't be able to do this year, at least initially, I've been more cognizant than ever of just how great a privilege it is for our students to be given the opportunity for a first-rate, Catholic school education and, in particular, for the opportunity to learn from our teachers, who I believe are some of the best in the business.

It will be important to keep this in mind as we navigate the coming weeks and months. While we have returned to in-person education, we are far from being able to return to life as normal at St. Joseph's Catholic School. The necessity of physical distancing and mask wearing is going to limit school activities and, in some cases, eliminate them entirely for the foreseeable future.

As the novelty of being back in school wears off and students begin to miss some of the events and activities that they are used to, I think it's important for you to understand the school administration's perspective. Essentially, it is this: we are hesitant to undertake or permit any events or activities that could jeopardize or risk the continuing viability of in-person education. With each week and month that passes without incident, we will look to add back events and activities to the calendar with modifications as needed. With this in mind, I'm asking that you please help moderate your students' expectations and emotions as we take this one step at a time with the priority of ensuring that in-person education can continue.

**Introducing St. Joseph's Newest Staff Members**

Since August *News and Notes*, we have added a handful of teachers to our staff. Most of these additions were necessitated by the number of unprecedented applications we received during the months of July and August, particularly for the middle school grades. In an effort to accommodate these students, we have added sections to both 6<sup>th</sup> and 8<sup>th</sup> grades and have had to hire teachers to cover those classes. Thankfully there were excellent teachers available as you can see below.

Please extend a warm SJCS welcome to:

**Mr. Chris Goodman**, is the school's new 8<sup>th</sup> grade history teacher. Chris, originally from Lexington, SC, moved back to SC this summer from Arizona, where he taught MS history and was the assistant athletic director and head football coach at a charter school. Chris holds a BS from the University of South Carolina and is a US Marine Corp veteran.

**Julie Rzepinski** is the school's new Aquinas Director and Remote Learning Specialist. She is a native of North Carolina and holds a BS in mathematical education from NC State. She recently moved to Greenville from Wisconsin. Julie has nearly three decades of experience as an educator working as a math teacher and resource teacher.

**Courtney Vaughn**, a certified school counselor, is SJCS' new and first counselor dedicated to the needs of our middle school students. She holds a BS in Psychology and an Ed.S and M.Ed in School Counseling from Clemson University. Courtney has worked previously with Mrs. Charlton at Mauldin High School.

**Sydney Walsh** is the school's new Algebra I teacher. She is new to Greenville, having moved recently from Indiana, where she taught Algebra and coached soccer. Sydney holds a BS and MA in mathematics teaching.

Finally, I want to thank Carolyn Johnsen and Sarah Wicker for their faithful service to the school over the years. They have recently decided to pursue other opportunities. Both were particularly loved by their students and colleagues and will be missed.

In closing, please join us in praying for the following members of the SJCS family: for Sandon Brown on the loss of his grandmother; for Sophie Iacovelli on the loss of her aunt; and for Mary Cummings' speedy recovery from knee surgery.

With love and prayers,  
Keith Kiser  
Headmaster

- We have moved our dismissal time up on Wednesday to 12:05 PM. This is because we will not have a mandatory All-School Mass on Wednesday mornings as long as large group gatherings are discouraged during the pandemic. Instead, we will offer an optional Mass each Wednesday afternoon beginning at 12:20 PM for those who would like to stay. Mass will conclude at 1:00 PM.
- The other significant change is that we have moved the Study Help period on Thursdays to the end of the day. Any student who drives may fill out the waiver (found [HERE](#)) if they wish to have the option to leave at 1:50 PM on Thursdays. Parents who wish to pick up their non-driving students early may do so through the front office by following the usual early dismissal protocol.
- Late stay will still be available until 6:00 PM every day after school for those who need to pick up children after work.

#### **HS Fall Play Auditions, September 9 & 10**

Auditions for the HS Fall Play will be September 9 and 10. Students will only need to attend one of these days. These auditions will be open to all HS students. Each student will receive one book to sell and will be encouraged to collect orders for additional copies at \$20 each. Orders can also be placed online. There are some great incentives for Households and individuals who sell the most books. All unsold books need to be returned in their original envelope by the last day of the sale. Questions? Contact [Jackie Zannino](#).

#### **Parent/Student Handbook Acknowledgement Form Due September 14**

The 2020-2021 Parent/Student Handbook is now available on the SJCS website and [HERE](#). The Handbook Acknowledgment Form on the last page should be printed, signed by both student (one form for each student) and parent, and turned in to Mrs. Hawkins on the front office by Monday, September 14.

#### **All-Parent Coffee, September 30**

Immediately following morning drop-off, SJCS parents are welcomed and encouraged to come to the Cafeteria to pick up a boxed breakfast and then have a seat in the JP11 Center (seats will be physically distanced and marked appropriately). From 8:00-9:00AM, Headmaster Keith Kiser, other school administrators, and several parent volunteer leaders will be on hand to share information about the new school year, talk about opportunities for involvement, and be available to answer your questions. This is a great opportunity to hear from school officials and parent leaders in an informal setting. (Please note all visitors entering the school must wear a face mask and have their temperature taken at the Front Office).

#### **Seniors & Parents College Counseling Meeting**

We will have a College Financial Aid Officer conduct a general Financial Aid meeting to discuss the various types of aid, scholarships (including the state scholarships, scholarships through the colleges and private scholarships), the CSS Profile, federal money (grants, loans, work study) and a general overview of the FAFSA for this year's graduating seniors. The meeting will be held virtually in October and details will be sent to all senior families in September.

**Ninth Grade PSAT Testing, October 14**

All freshmen will take the PSAT 8/9 on Wednesday, October 14 with dismissal at 12:05 PM. The purpose of the PSAT 8/9, which is the first in the College Board's SAT Suite of Assessments, is to establish a starting point in terms of college and career readiness as students transition to high school. The results help educators and students figure out what students need to work on most so that they are ready for college when they graduate from high school. Further test details will be communicated in the October *News and Notes*. Questions? Contact [Melissa Broering](#).

**Tenth & Eleventh Grade PSAT Testing, October 14**

The PSAT will also be administered to all sophomores and juniors here at school on the morning of Wednesday, October 14, with dismissal at 12:05 PM. This test is a shortened, practice version of the SAT and it provides a good opportunity for students to get comfortable with the format, pacing and questions on the SAT. For juniors, this test also serves as the National Merit Scholarship Qualifying Test (NMSQT) and it is the only way to be considered for National Merit scholarships. In September, students will receive a PSAT booklet which includes a complete practice test with answers. Further test details will be communicated in the October *News and Notes*. Questions? Contact [Melissa Broering](#).

**Confirmation Preparation**

Seventh and eighth grade Catholic parents should contact their home parish to find out about registration for Confirmation preparation. Though St. Joseph's 7<sup>th</sup> grade Religion classes cover Confirmation, each parish has its own requirements and they need to know which children are planning to be confirmed in the upcoming year. This is usually during 8<sup>th</sup> grade, but depending on the parish date for Confirmation, some preparation may begin in 7<sup>th</sup> grade.

**Student ID Cards**

All students will be required to wear their ID cards at all times this year. ID's will be available sometime after yearbook photos are taken on August 31 and September 1. The school will provide students with their first lanyard.

**Student Directories**

Student Directories are available through FACTS. Information on how to access the directory can be found [HERE](#) under the Parent Resources/Forms and Links tab on the home page of our new website. Click on FACTS Instructions/How to access the student directory.

**NEW! Change Regarding Outerwear**

We announced in June that with the change to using Lands' End as a uniform provider, only Lands' End outerwear would be permitted as part of the casual uniform. However, due to the many changes our students are experiencing this year, we have decided to still allow non-Lands' End outerwear for **this year only** (it must still be school-approved outerwear, eg SJCS athletic sweatshirts). Beginning with the 2021-2022 school year, **only** Lands' End outerwear will be permitted to be worn as part of the casual uniform.

### From the Middle School Director

As I write this piece, we are days away from physically bringing our students back to campus for the first time since mid-March. I know I will be overwhelmed with joy at their return.

Our goal this summer was singular in focus: safely returning our students to campus in the fall. My personal motivation for this singular focus was that a St. Joseph's education is designed to be relational and communal. While the academic growth of our students is of great importance, I am convinced that their social, emotional, and spiritual growth is what has been most impacted by our inability to be in-person together. With safety of paramount importance, we need to be together again.

As we begin a school year that will certainly have its share of challenges, I take comfort in the knowledge that the uncertainty and anxiety caused by these challenges can be mitigated with practices that support the foundational elements of the St. Joseph's community. The courage and strength needed to sort through the uneasiness and uncertainty can be achieved through:

1. A commitment to prayer
2. A community of trusted friends and confidantes
3. Sound research and informed decision-making
4. The ability to improvise and adapt the plan
5. Deep gratitude for all of it, including the ability to engage in the previous four practices

Our return to in-person learning is predicated off these practices. I have incredible faith and trust in our St. Joseph's community, and I am certain that we can do what we do best safely and excellently.

*"Forward, no matter what happens! Cling tightly to Our Lord's hand and remember that God does not lose battles." -St. Josemaría Escriva*

### From the High School Director

Relationships are the key. That's an old lesson in education, but one that bears repeating. Our whole model is based on establishing relationships with our students, and those relationships begin with trust. The kind of trust that is necessary in a classroom is similar to, but not exactly the same as, the trust that develops within friendships. In classroom relationships, the students need to trust that the teacher is going to give them the tools necessary to be successful. In the short term, that can mean things like preparing students for quizzes and tests. In the long term, it's about preparing them for college, citizenship, and life. Students also need to trust that teachers entered the profession not because they like summer vacation, but because they are genuinely committed to promoting their students' well-being.

Teachers need to trust students as well. Teachers can plan much more creative and impactful lessons when they know their students are going to give them some leeway in terms of how things are presented. It can be very tempting for a student to throw in the towel on a hard concept if they don't get it right away, and that can short-circuit a teacher's desire to introduce higher-level thinking. I always encourage students to remember, we're in this for the long haul. Classes may take place in 47-minute increments, but *learning* goes well beyond that artificial limitation.

Thank you for your trust, and welcome to the 2020-2021 school year!

#### College Rep Visits

With COVID-19 and college travel restrictions, many of our college visits will be done virtually this school year. Students **MUST** sign up for these visits in advance (at least one day prior to the event) so that an appropriate size room can be secured for social distancing guidelines. Students will not be permitted to attend a college visit that they have not previously signed up to attend.

Numerous colleges have already scheduled campus visits and we are currently working to schedule several others. These visits will be communicated via Scoir and on the College Counseling page of the SJCS website under "Colleges Visiting SJCS". Students **must** register for visits through their Scoir account, at least one day in advance. We attempt to schedule as many of these visits as possible during the high school lunch period so that juniors and seniors can participate without missing class time. However, sometimes visits will need to take place at another time during the school day and in these cases; those students who have a particular interest in the college will need to ask permission from his or her teacher to be excused from class. This will take place at the discretion of individual instructors. Please encourage your child to attend as many of these informal meetings as possible. These sessions provide great opportunities for students to talk with the college reps in a relaxed setting along with their classmates. Please see the email that was sent in August with further instructions for students.

### From the Development Office

#### Thank You

Thank you to the Demas Family (Mug & Muffin Cafe) and the SJCS Parents Guild who generously provided a delicious catered lunch for the faculty and staff during orientation. The faculty and staff were grateful for such an enjoyable and delicious meal. Thank you!

#### Annual Fund

Our goal this fiscal year (July 2020 – June 2021) is to engage the financial support of 100% of our school families, faculty, and staff in giving to the Annual Fund. We will track participation numbers by grade level throughout the year, starting in October.

The Annual Fund provides approximately 6% of the school's overall budget. It accounts for 75% of the funding that is not covered by tuition. These dollars are raised every year through the generosity of our community, and provide tuition assistance, support for academic programs, athletics, fine arts, campus ministry, and enrich student life. Our Annual Fund goal for this year, which includes proceeds from the Gala, is \$500,000. Please contact [Kevin Meyer](#) with any questions, and download your [Annual Fund Donation Form](#) today!
