Authentic Local Cuisine

A group of people, mostly young adults, are riding bicycles on a paved path. They are wearing helmets and casual clothing. In the background, there is a large, classical-style building with a pediment and columns, surrounded by green trees. The sky is blue with some clouds. The image is part of a promotional graphic with blue and orange overlays.

Near the Sights You  
Came to See

A young man with curly hair, wearing a blue and white checkered shirt and light-colored trousers, stands with his back to the camera. He has a black backpack and is gesturing with his right hand towards a group of about a dozen tourists. The tourists, mostly young adults, are standing in a line and looking towards the guide. In the background, the Arc de Triomphe is visible, partially obscured by trees on the left. The scene is set outdoors on a sunny day.
