PURCHASING TEXTBOOKS

Frequently Asked Questions

Q: Who is the school's textbook vendor?

A: The school's official textbook vendor is BNC Services. Their online book store can be accessed at: <https://bnck-12.com/sj Catholicschool> beginning on July 6, 2020.

Q: Do I have to purchase my textbooks through BNC Services?

A: No, you may use the vendor of your choice. BNC Services carries the majority of our textbooks and is a straightforward and easy way to secure the books needed. They offer books in new and used condition as well as a chance to sell books back at the end of the year. If you choose to use another vendor, please make sure to order by ISBN to ensure you have the correct edition and format. For newer copyrights, check the publishers' websites as their prices are sometimes lower.

Q: Is there a way to get reduced or free shipping from BNC Services?

A: From July 20-26, 2020, orders over \$99 qualify for free shipping. This is St. Joseph's discount shipping week.

Q: Can I rent textbooks?

A: Yes, BNC Services has a rental option for textbooks. This option helps parents to save money on the upfront cost of textbooks, and is at a discount compared to purchasing the book. At the end of the year, parents will receive reminder emails to tell them how to print a shipping label to send their material back. To avoid potential problems and unforeseen costs, please make sure to read all the fine print if you choose to rent.

Q: When will my child receive their schedule? I am unsure of what books to purchase.

A: Class schedules will not be finalized until mid-July and will be issued via email. If you choose to purchase books early, please note that you may be required to purchase additional books or different books based on your actual schedule.

Q: How is the textbook information organized?

A: The books are listed in the following manner: ISBN, author, *title*, edition, publisher and date.

Q: I would like to purchase my textbooks from another school family. Do you have a list of parents offering books for sale?

A: No, we do not have a list. Parents are encouraged to post books they wish to sell to the school's Facebook page and to check that page for families wishing to sell books they might need. The school also often posts to that page books that the school could currently use if parents are willing to donate them back to us. If you are wishing to buy, please be sure to check the ISBN to verify that you have the edition currently being used.

Q: What is the BNC Services textbook buyback?

A: In lieu of the traditional textbook buyback provided in our library, we are encouraging parents who wish to sell books back to BNC to do so online. BNC Services will buy back textbooks that meet their condition requirements, and send the money directly to you. You do not have to have purchased your books through BNC Services to participate. You may also sell your books back to BNC Services through their website. They will cover shipping costs.

Q: Can I have my books shipped directly to the school?

A: No, we ask that all books be shipped to you directly at your home address or other designated location. Please do not ship books to the school.

Note: All workbooks must be purchased new. If a course is not listed here, either there is no text required or the instructor will provide specific instructions once the class meets.
